Changes

Please send changes of address, home phone, parent work phone, and emergency phone numbers to Donna Stutler in the Family and Student Services Department. Donna can be reached at (317) 924-8416 TTY/Voice.

Thought for the Week:

"I have found the best way to give advise to your children is to find out what they want and then advise them to do it."

Harry S. Truman

The Russians are Coming!!

Russian and Canadian athletes will join Deaf athletes from the US in Indianapolis on Thursday, June 23 for the fourth annual DAFUS Deaf Athletes Federation of United States) track and field championships. The games will continue through Saturday, June 25. Families are needed to host the Deaf Russian athletes. Don't miss this unique opportunity to experience another culture - contact Michael McGeath today.

The event will begin with development clinics at ISD on Thursday the 23rd. Friday and Saturday's meets will be held at the IUPUI Track and Field Stadium (starting at 4:00 pm both days). For more information contact Michael McGeath (317) 924-4374 ext. 196 TTY or (317) 475-9523 TTY.

Staff Development News

Congratulations!

ISD was part of the "McDubs" milk carton recycling program which will end May 27. One of forty schools participating in the program, ISD helped to remove 20 tons of milk cartons from the waste stream!

ISD continues to try to make our city a better place in which to live. Thanks to all who remembered to recycle the milk cartons.

ASDC

The American Society for Deaf Children (ASDC) will hold its 14th Biennial Convention June 22 - 26 at the Florida School for the Deaf and Blind in St. Augustine, Florida. Registration is \$95 for members and \$130 for non-members. Dorm rooms are available for \$3 per night per person.

Fit for Summer?

The National Institute for Fitness and Sport (NIFS) in downtown Indianapolis has special summer rates for teachers and students over 16.

16 weeks	\$150
12 weeks	125
8 weeks	100
4 weeks	50

For more information, or to arrange for a free workout or tour of the facility, contact Lisa Rix, Membership Manager (317) 274-3432 Voice.

Enhance Math/Science Learning with LEGO/LOGO

Investigate LEGO/LOGO, available for all computer platforms, to build and program robotic models or real-life machines. The programming language Logo Writer is used to control all models. No prior knowledge is needed.

This workshop will focus science and math skills and will be held August 18 at Spring Mill School, 8250 Spring Mill Road, Indianapolis. Registration is \$10.

Using Technology to Teach Hands-on Science

Participants will be exposed to real-world uses of technology to teach elementary science. Focus will be on the use of scientific tools that enable children to conduct experiments, input data into computers, draw conclusions, and generate reports. No experience is needed. IBM computers and Personal Science Laboratory software will be used.

This workshop will focus on science, math, and language arts for grades 1 - 6. It will be held June 13, 9:00 am - 3:30 pm at Indian Creek Elementary School, 10833 East 56th Street.
